

Dear Partner,

With EIBTM on its way, we wish to inform you that we will be exhibiting on the Mauritius Stand H750. Please feel free to contact us for an appointment whether you have any potential groups to Mauritius or keen to familiarize yourself with its accessibility and affordability or simply would like to learn about our products and services. We will be delighted to talk to you and give you an overview how we can make any of your requests possible.

There will also be a lucky draw for couple of free tickets to win for a visit to Mauritius for those who make an appointment with some interests and potentials to the destination.

Please do not hesitate to contact me should you have any questions and look forward to see you on our stand.

You never know, you may be the lucky winner :-)

Kindest Regards,

Rakesh Joomuck

Business Development Executive
