TEAM BUILDING

CREATIVE SNOW GAME

In an open-air area will be created 3 thematic fields. The first will present sport activities, the second problem solving activities and the third one crazy games.

The participants will be subdivided in 3-4 groups. The goal of every team is to gain the best score in every field.

Step 1 – WARM UP: These psycho-physical activities prepare the team to the game and in a very short time people can know each other in a funny way and feel the value of the group.

Step 2 – TEAM QUIZ: The teams will be located in a game area. Every team have to choose a leader, solvers and carriers. The leader must handle and coordinate the group, solvers must clear up enigmas and carriers must take and deliver the answers to the judges.

Step 3 – GAMES:

Sled race

Treasure Hunt – Teams have to answer funny quiz getting the answers under the snow.

Mystery – Using ingenious and different techniques the participants have to recover several objects which are located inside an insurmountable ring.

Memo – Teams have to find couples of images scattered in the game field and create a sculpture.

“Big Foot” relay race – Using big foot wooden shapes and in couple , the participants must complete an obstacle race. Every step will be harder, since they have to wear extra-large clothes.

4.200 euro per group – net rate

Including: 2-3 trainers \ material used for the games \ organization

CREATIVE ORIENTEERING & IGLOO

The project is subdivided in 3 steps:

Step 1 – OUTDOOR: Quiz games

Step 2 – ADVENTURE: Orienteering with “ciaspole” (snowshoes).

The participants subdivided in teams must find , using instruments, a series of points scattered in the game area.

Step 3 – CONSTRUCTION of an IGLOO: The participants must construct an igloo using a given project. The construction’s process leads the team to a high level of goal sharing and encourage the planning and comparison.

5.100 euro per group – net rate

Including: 2-3 trainers \ material used for the games \ organization

DRAGON BOAT RACING

This spectacular racing event requires no previous experience and caters for all abilities.

The ideal 'ice-breaker' at a company conference or training course, popular team building exercise and superb motivational activity

Excellent as an inter office/company challenge.

JOURNEY INTO THE MIDDLE EVE

This is a form of entertainment with a very high ratio of interaction, in which all guests have an active role. The first step will be the assigning of medieval dresses (optional item) and medieval belts to each one of the guests.

Then participants will be split in smaller groups, their identification will be a coloured belt, and each colour representing a team sent by the Emperor to solve a mystery into the hosting city...

Each team will receive a papyrus containing a stylised city-map and indication of the places to visit, in order to obtain some fundamental clues.

Strolling through a preconceived itinerary into the city, the teams will have to interact with each other, helping each other or opposing each other, until the final collective resolution of the gaming excursion...

Duration of the activity: 4-5 hours (excluding lunch break, a special lunch with recipes from the middle-eve, waiters in costume)

Inclusions:

- Creation, planning, customisation, on-site coordination;
- 10 artists (musicians, actors, sword fighters, jugglers, on-stilts walkers, dancers, and other artists.) displaced on the whole itinerary of the gaming excursion;
- Coloured belts for each participant;
- Customised gaming papyrus;
- Other scene and gaming accessories (ceramic vases, latex and metal swords, gaming coins, other materials);
- Use of the Norman castle of Montalbano Elicona.

- Possibility of renting Medieval dresses for the participants
- Rates on request

BECOME A GONDOLIER!

A course that will teach the participants how to “drive” a true Venetian gondola. The first part is based on theory with the purpose to get acquainted with the technique, then during the second part with the help of the teacher-gondolier the participants will try their skills on the water.

At the end of the course participants will get the degree!

LEARN HOW TO CREATE A VENETIAN MASK!

A unique possibility to learn this ancient art of decorating masks.

After a brief lesson on historical origins of the Venetian masks, the participant can choose his favourite mask and begin the decorations under the control and suggestions of the expert masters, who will show the traditional technique of decoration.

At the end of the course take participants can take their own-created mask as a beautiful and original souvenir!

SPECIAL INTEREST TOURS

CYCLING TUSCANY

Day 1 SAN GIMIGNANO

Arrival in San Gimignano

Arrive at the farmhouse near San Gimignano and unwind, as this shall be your comfortable Tuscan home for the next week. Breathe in the wonderful country air as you explore the tiny medieval village of San Donato and take a stroll along the classic green rolling hills, marvelling at the breathtaking views of the surrounding countryside. Immerse yourself in the tranquillity.

Day 2 VINEYARDS OF ULIGNANO, CERTALDO ALTO & BARBERINO

Today you will cycle through prestigious vineyards towards Ulgignano and the charming hilltop village of Certaldo, home town of the renowned Italian writer Boccaccio. The ascent to Certaldo is either by funicular or by a very steep climb. After visiting its ceramic-decorated main square and stunning churches, you can choose an extended ride to Barberino and Tavernelle in the Chianti Classico area, offering magnificent views across the Elsa and Pesa valleys.

challenge: 67.1 km - villages along the way: San Gimignano, Certaldo & Barberino and Tavernelle

Day 3 RIDE AROUND THE POGGIO DEL COMUNE

With this trip you will become familiar with the area as you make a full circle around the Poggio del Comune hill. From San Donato you go towards Castel San Gimignano passing by an unexpected sight for this very agricultural area, it is a prison. In Castel San Gimignano there is a great little bar where you can buy very good panini (sandwiches), then on in the direction of Volterra. Once you leave the asphalt road you enter the nature reserve which is mostly woods and some cow pastures, something rare in Italy. Leaving the forest behind you, you reach San Gimignano and you cycle straight through the old town centre stopping for a refreshing drink.

challenge: 40.9 km - villages along the way: Volterra, Ulgiano and San Gimignano

Day 4 COLLE VAL D'ELSA, MONTERIGGIONI & LILLIANO & EXTENSION TO CASTELLINA IN CHIANTI

Today you choose the ride which suits you best. Transfer to Colle Val d'Elsa and cycle through the gentle, undulating hills of the Val d'Elsa to the perfectly preserved medieval hamlet of Monteriggioni. Continue uphill past abundant vineyards and stimulating woods, either towards Lilliano or directly up to Castellina in Chianti, where the views are spellbinding.

challenge: 67 km with the extensions

villages along the way: Monteriggioni, Castellina in Chianti, Siena San Gimignano

Day 5 FREE DAY TO RELAX AND GO SIGHT SEEING in SIENA or FLORENCE

On this rest day, you can choose to visit the nearby cities of Siena or Florence, both easy to reach with public transportation. Famous for its "Palio" horse race, promenade the narrow streets of Siena marveling at the magnificent palaces, churches and squares. Alternatively, visit the Duomo, the Ponte Vecchio Bridge, and experience the unforgettable Renaissance splendor of Florence.

Day 6 VOLTERRA

Transfer to the magical and mysterious Ancient Etruscan city of Volterra, where you can explore its alabaster artisanry shops, Roman theatre, superb palaces and alluring city walls. Then hop on your bike for an exhilarating downhill ride into the valley, through a patchwork of wheat fields and impressive villas, followed by a delightful ascent to return to San Gimignano.

challenge: 27 km - villages along the way: Volterra, Ulgiano and San Gimignano

Day 7 CASOLE D'ELSA ROUND TRIP

The romantic landscape between Castel San Gimignano and Casole d'Elsa is mostly open pasture used for sheep grazing and wheat cultivating. The essence of the Montagnola area shall captivate you with its quiet, peaceful countryside. Cross kilometres of beautiful rolling green hills and marvel at the small local churches and quintessential Tuscan farmhouses.

challenge: 31.1 km - villages along the way: Casole d'Elsa, Colle val d'Elsa and Castel San Gimignano

Day 8 ARRIVEDERCI SAN GIMIGNANO!

The trip and our services end after breakfast, unless you have booked a transfer to the airport or other supplementary services.

Included:

- 7 nights accommodations on B&B basis, one welcoming 4-course dinner on arrival at wine-and oil-producing Tuscan farm house where you will be staying, with swimming pool, 5 km from San Gimignano
- Transfer packet: from San Gimignano 2 x Colle Val d'Elsa, 1 x Casole d'Elsa and 1 x Volterra,
- Detailed maps and road book in English
