Nautical

Calpe's yacht club offers diverse options that will allow you to make the most of its crystal clear waters, whilst at the same time helping to motivate your group through unforgettable sailing options.

REGATTAS

Experience what it's like to sail an F1 vessel. You can now participate in a Regatta using professional sailing vessels from the Spanish challenge, used in the last edition of the Americas Cup. The experts will teach you basic skills during a brief training course. You will be able to enjoy a full day at sea and, upon conclusion of the activity, you will sample an authentic paella at the yacht club whilst the trophies are handed out.

CATAMARAN

Take a break from your work load and enjoy a day at sea. Visit every nook of the Costa Blanca aboard a catamaran with all the commodities. With capacity for between 100 and 125 passengers, these vessels are especially designed for enjoying a day at sea. There are different models available, fully equipped for barbecues, chill-out sessions, etc. You will be able to enjoy beautiful sunsets, exquisite dinners on board, etc... An excellent way to motivate your staff.

Endless possibilities at sea!
