

**LAGO MAGGIORE ADVENTURE PARK
BAVENO**

RELAY IN MOUNTAIN BIKE

10 persons per team will participate.

Each person will have to complete the “cross bike” parcours,
Departing one to time and using the same byke as a real relay race

The person ready to realy should wait on the departure line.

In case of byke damage the participant should continue till the end of the run
bringing his byke on his shoulder

The use of the helmet is compulsory!

The team that will employ the shorter time for the whole realy will win .

CLIMBING WALL

10 persons per team will participate.

The objective is to reach the top of the wall and play the bell.
Every time that a participant will reach the top, his team will earn 5 points.

If a participant will use the 3 more difficult tracks to the top,
than the team will earn 15 points.

SUSPEND RUN

10 persons per team will participate

The team should develop the whole run in the shorter time as possible.

The stop to the timing will be given when the last participant will go down for the run.

GREEN VOLLEY

2 teams will choose 10 persons that will challenge together.
The winning team will earn 100 points.

ACROJUMP

10 persons per team will participate.

After having been slung by our staff, the participant will have 5 minutes time to complete more upside-down (front and back as preferred)

It wins the person that will complete more upside-down and will effect the total numbers together of the team to determinate the classification

Realy 1000 FEET

10 persons per team will participate.
5 persons per time, using the long “ski” fixed to their feet, will have to stir ub
sincronia together and compemporaly along the marked run
when the first group will arrive at the end giving the witness to the other 5 in order
to start again. The team that will cover the runs in the shorter time will win

THROW THE ROPE

10 persons per team will participate and who will win, earn 100 points

The two team are positioned to the extremeties of the rope.

The challenge will begins with the central point of the rope arranged in the middle of the game field.

The objective of each team is to succeed in throwing the adversariers from their part, making them overcome the central point of the field
There will be 3 manches.
